

## **SUMMER WORK EXPERIENCE SCHOLARSHIPS**

Siuslaw Bank will award up to five full time, eight week Summer Work Experience Scholarships to graduating senior high school students in Lane County before they start their freshman year of college. The Summer Work Experience Scholarship provides recent high school graduates with the opportunity to gain valuable work experience at Siuslaw Bank. Interns will receive a solid overview of the business of the bank while contributing to their designated branches or department.

Our program connects high school graduates with employment that helps give them the necessary tools and resources they need to advance in the workplace. We pay particular attention to seniors who have shown they are capable of stepping outside of the classroom to contribute service in their own communities and beyond.

### **Recipients must meet the following requirements:**

1. Achieved at least a 3.00 cumulative grade point average (GPA) as of the Fall 2013 term
2. Participated in at least two areas of school activities while in high school.
3. Participated in one or more community (non-school) activities while in high school (i.e. church, youth organizations, community fundraising, community sports/recreational activities).
4. Have a strong academic record and a demonstrated interest in business, finance, math, marketing, information technology or a field of study relevant to the business of Siuslaw Bank. Excellent analytical, interpersonal and attention to detail skills are essential.
5. Submit two letters of recommendation: one from a responsible community member and one from a member of the high school teaching staff. Each recommendation should include comments about the student's responsibility, integrity, personality and leadership ability.
6. Submit a one-page résumé and a one-page autobiography that includes their future educational and career goals.
7. Provide a transcript indicating completion of sufficient courses to classify as a full-time student having achieved at least a 3.00 GPA.
